

## Questions for Conversations

051020

How has God spoken to you in the last week?

If you are feeling brave, share what he has been speaking.

One area that was not discussed (although Rob debated about it) was the role of the Holy Spirit in human creativity.

It is interesting how we talk about people having a “creative spirit.” Sometimes a work of art, music, or literature we find “inspirational” or “inspiring.” What might be the spirit’s role in the activity of creating art?

Consider the questions Rob posed at the end of the message.

- Where do you need to be inspired?
- Where is God leading you that you are afraid to go?
- Where are you experiencing chaos and disorder?
- Where are you experiencing emptiness?
- Where are you experiencing death?

Where and how can you inspire (be the means of Spirit breathing into) someone else?
