

Questions for Conversations

What ways has God been speaking to you recently?

Try to recall your earliest memory of feeling love.

Share your memories.

Before this morning, if you were asked to describe God's character, what attribute comes to mind first? (sovereignty, holiness, justice, etc.)

Why do think these come to mind first?

What the possible implications for those attributes being first? What does it mean about our overall understanding of God?

What role does freedom (of any degree) play in understanding God's character as love?

What does 1 John 4 reveal about God's character?

How does God's love impact our ability to love?

Don't necessarily need to share, but everyone should think about: who do you hate?

Share needs, joys, questions.

Pray. Specifically spend some time asking to reveal his love to you in new ways and new depths.
