

## Questions for Conversations

092020

How has God been speaking to you lately?

Share a time when you completely misunderstood a situation. (This is intended to be an icebreaker, so we are looking for funny stories not necessarily deeply profound ones).

Are there more ways than Rob has mentioned that sin has changed the way we see things?

How do you understand “in that day” in Gen. 2.17?

How do you understand the death that resulted from sin?

Share ways that your life is a testimony to “BUT GOD”...

Share joys and concerns.
