The God of Near and Far

Questions for Small Groups:

- Does God feel near to you today... or far away?
- Why does God keep repeating “I am with you” in the pages of Scripture?
- What part of this paradox (God’s immanence and transcendence) do you most connect with?
- What part of this passage in Jeremiah (Jeremiah 23:23-29) stands out to you?
- Why is it dangerous to focus on God’s immanence and neglect his transcendence, or vice versa?
- What gift do you need today—the teddy bear or the crown?
