David is said to be a man after God's own heart. (I Sam. 13.14)

What do you think that means? Or What did Rob suggest that was about?

What kind of behaviors or attitudes does that involve?

Do you think that was true of David his whole life or at particular moments?

Think about the sins of Saul and David. For some who have not grown up in the church or aren't familiar with the story, you may want to share different stories that the group can recall about them.

Whose sins were "worse"?

What did it mean for David to be chosen?

What does it mean for you to be chosen by God?

What is the difference between Saul being chosen, and us being chosen?

How might your chosen-ness enhance your witness, worship, and walk?

Share and prayer.
