**Looking for some Great People - the more the merrier!** We will be hosting Family Promise at the church later in 2022. We are looking for more van drivers. What’s involved??? You will need to have a valid driver’s license and be over the age of 21. Morning drivers arrive at the church and leave by 6:30 a.m. Monday - Friday (weekend times are later), drive the families in the Family Promise van to the Family Center in Camp Hill, and drive the van back to the church. Evening drivers need to pick up the van at the church (around 5:30), drive to the center, and back to the church arriving by 6:30 p.m. Sunday - Saturday. Due to school schedules the van may need to leave earlier so the kiddos can catch their bus. Some answers to questions you may have: you do not need a “special” license to drive the van; gas is provided by Family Promise; yes, at this point you will need to wear a mask while driving; training & directions are provided. If you have any other questions/concerns please see Nina Hoover, DBIC Family Promise Van Coordinator, a.s.a.p. Many hands, feet, and drivers make everyone’s work lighter. Thanks in advance for considering this your mission field.

**Church Office Hours:** The office is normally staffed on Tuesday mornings from 9 am until noon and Thursday afternoons from 1 pm until 4 pm. Staff is often available outside of those hours, but it is best to call the office first to be sure the person you need to see is available. Please note that the office is always closed on Fridays.

**In case of inclement weather,** the policy of DBIC is to cancel any in-person morning activities if Northern York School District is on a 2-hour delay. This would not impact afternoon and evening activities. All in-person activities will be canceled if the district is closed for the day or dismisses early due to the weather. If there are activities on the weekends or days when school is not in session, please check for radio and TV (ABC27) announcements or our website ([www.dillsburgbic.org](http://www.dillsburgbic.org)) for information regarding closures.
