How hard do you think it was for Zacharias to be quiet for 9 months? What must that have been like for Elizabeth?

Have you ever had a time when you responded to God's message like Mary, "May it be to me as you have said" when you had no idea what that would mean? Share with the group.

When you have had an amazing experience like the shepherds, have you just had to go and see and then tell everyone? Share what that was like.

Pray together for God to speak to everyone in your group.
