COVID-19 precautions: Masks are not required during worship in the Fellowship Hall or in the Sanctuary but you should feel free to wear one. Masks ARE required for everyone in the basement on Sunday mornings. Hand sanitizer is available throughout the church. Please continue to be extra-attentive and sensitive to others’ personal space. Offering plates will not be passed but have been placed in each worship space to receive your offering.

The church nursery is open during the 10:00 a.m. worship services for children ages 0-4 (any kids not yet in kindergarten). You can sign in your children in the nursery room (next to the library) and pick them up after the service.

Our Spring Ingathering Offering will be received on April 24 and May 1. Here are the three global projects we'll be giving toward:

University scholarships for at-risk believing youth in Thailand - Young people among the Isaan in rural Thailand are often urged to drop out of school and find work to help support their families. Many young believers have the potential to pursue higher education at local universities while they continue to grow in their faith and serve their local churches. Our funds can help this happen. Find out more at <https://partnership.bicus.org/project/university-scholarships-for-at-risk-youth/>

Agricultural development in Zambia - Our own Tony Beers is working with Zambian farmers to improve soil, maximize crop output, incubate eggs, plant trees and water-retaining grasses. Our funds can provide supplies and equipment along with essential training. Learn more at <https://partnership.bicus.org/project/agriculture-development/>

Assistance for BIC church hospitals and schools in Zimbabwe - Economic realities in this southern African country have been very harsh for a long time. Government funds that once helped support the education and healthcare that church institutions provide are no longer given. Our funds can help our sister church show the love of Christ in this beleaguered nation. Get more details at <https://partnership.bicus.org/project/sustaining-church-hospitals-and-schools/>

Family Promise hosting is just around the corner. Our families will be here on May 15th through May 22nd. If you are interested in participating in this weeklong event, there are various ways in which you can help. First, we need people willing to serve as evening and overnight hosts. Next, we need to provide food for breakfast and lunch. Likewise, we will be making the evening meals for these families. Descriptions of each role with further information can be found on the sign-up genius sites. Links are listed below. For any other question, feel free to contact Scott and Cindy Raboci at (717)432-9140 or sraboci@yahoo.com. Thank you in advance for being such a blessing to these individuals and to us!
