We will continue receiving our Spring Ingathering Offering this week. Here are the three global projects we'll be giving toward:

University scholarships for at-risk believing youth in Thailand -

Young people among the Isaan in rural Thailand are often urged to drop out of school and find work to help support their families. Many young believers have the potential to pursue higher education at local universities while they continue to grow in their faith and serve their local churches. Our funds can help this happen. Find out more at <https://partnership.bicus.org/project/university-scholarships-for-at-risk-youth/>

Agricultural development in Zambia - Our own Tony Beers is working with Zambian farmers to improve soil, maximize crop output, incubate eggs, plant trees and water-retaining grasses. Our funds can provide supplies and equipment along with essential training. Learn more at <https://partnership.bicus.org/project/agriculture-development/>

Assistance for BIC church hospitals and schools in Zimbabwe -

Economic realities in this southern African country have been very harsh for a long time. Government funds that once helped support the education and healthcare that church institutions provide are no longer given. Our funds can help our sister church show the love of Christ in this beleaguered nation. Get more details at <https://partnership.bicus.org/project/sustaining-church-hospitals-and-schools/>

Family Promise hosting is just around the corner. Our families will be here on May 15th through May 22nd. If you are interested in participating in this weeklong event, there are various ways in which you can help. First, we need people willing to serve as evening and overnight hosts. Next, we need to provide food for breakfast and lunch. Likewise, we will be making the evening meals for these families. Descriptions of each role with further information can be found on the sign-up genius sites, which you can access by going to <https://www.dillsburgbic.org/family-promise/> For any other question, feel free to contact Scott and Cindy Raboci at (717)432-9140 or sraboci@yahoo.com. Thank you in advance for being such a blessing to these individuals and to us!

Please join us for prayer walking through the borough of Dillsburg - praying for our neighbors. We will meet outside the church building at 8:30 AM on Saturday and begin/end walking from there. If it is raining, we will prayer walk through the church facility. Please contact Kimberly Tucker with any questions.

CAPC Baby Bottle Blast. The baby bottles are coming! We are having a Baby Bottle Blast for the Capital Area Pregnancy Center (CAPC), one of our ministry partners that supports women with an unplanned pregnancy and those who have experienced abortion. On Mother's Day, May 8, baby bottles will be available outside all the worship spaces. Please pick up a bottle and fill it with change, bills, or a check to donate for CAPC to use for its daily operations. If you have any questions, contact Jan Kerstetter (jkerstetter56@gmail.com). Please return your bottle to Jan or her DBIC mailbox on or before Father's Day, June 19.
