Have you ever been between a rock and a hard place?

What experience comes to mind when you think about it?

In what ways are you “in-between”?

Or what are you between?

If we are all “in-between” how might that change how we view or treat each other?

It seems that part of God’s answer for this “in-between” time is to “Arise!”

Where do you need God to speak that into you or what part of your life do you need to hear that about?

What good deeds will God awaken you to do or return to?

Be attentive to God for the person he wants you to “find” this week.

We will check back next week on this one.
