

## Questions for Conversation

December 18, 2022

*Make Room for Love*  
*Luke 1:26-56*

1. If you have time in your group, read through the Scripture passage again. What stands out to you? What surprises you? Where do you see yourself in this story?
2. How can you make room for **birth**? Where is God doing a new thing in your life? Where do you need to surrender your plans or expectations to him?
3. How can you make room for **limits**? Where are you pushing up against the limits of your ability? What might it look like to make peace with your limits or to invite God (and others) into those spaces?
4. How can you make room for **others**? As you look around, who could use a word of encouragement from you? Who could you notice, include, or celebrate this week?
5. Finally, how can you make room for **wrongs made right**? How might we proclaim the already-but-not-yet reality of God's rule and reign? What song is God stirring in your heart?

Pray together.
