How is the person in your life who most exhibited a life of overflowing joy?

What was it about this person?

What does an overflowing life look like?

On a scale of 1-10, how fruitful would you say your life is for Christ's kingdom?

How fruitful would you say DBIC is?

What would you say our biggest hurdle is regarding lacking fruitfulness? Is it mostly an issue of sin, season, ignorance, not remaining....?

Sermon Points:

Surrender: What are you willing to have pruned to be more fruitful?

Staying Closely Connected: What practice are you willing to start or restart in order to do what Rob called "the hard work of remaining"?

Share: What might God be wanting you to share? With whom? To what extent?

How can we help each other with the above?
