

## Questions for Conversations

031923

What questions do you have about this week's message?

Jesus said our passage,

<sup>15</sup> Truly I tell you, anyone who will not receive the kingdom of God like a little child will never enter it.

How is receiving the kingdom different from entering it?

Do you find it easier to give than to receive? Why do you think that is for you particularly but also for all of us?

Have you received the kingdom as a child?

What does that mean to you?

In what ways has that happened or is it true?

How might you need to be intentional to be a child the older you become?

In what ways are you a disciple, who in this week's story created obstacles for people to come to Jesus?

If those who actually walked with Jesus got it wrong, how confident should we be that we don't do the same thing (create obstacles)? - Yes, I know we are on this side of Easter and that changes things, but still...

How do we keep ourselves from getting it as wrong as they did?
