

Questions for Conversations

060423

What questions do you have about this week's message?

Share a regret that you have.

(The more trust you have with your group, the more personal and intimate it can be)

Is your biggest regret something you did or something that you didn't do?

(You don't have to share the details of the regret if you don't want to in order to share in this part of the conversation)

What is your IF ONLY?

Why do you think Asa's life went the way it did?

Are there ways that you are like Asa?

(We like the good truth God shares with us about us, but we tend to bristle at the bad.)

Are there parts of today's message that you specifically need to put into practice?

How can we help each other move forward?

Share and prayer

As part of this time this week, remember to pray for our graduates and scholarship recipients.
