

Questions for Conversations

10..01.23

What questions do you have about this week's message?

If you saw everything in your life as exposition for what comes next, how could that possibly help you in the future?

Are there ways that it might not be helpful? Explain.

(Are there times we should not do this?)

How might God be inviting you into exposition?

Rob suggested that exposition involves at a minimum,

Remembering

Making Public

Making Sense

Are there other things involved in this?

Which one of these 3 steps is easiest or most natural to you?

Which one is the most difficult (either most difficult or least natural)?

What are some specific steps you can take this week to become better at exposition.
