How has God been speaking to you recently?

What has he been saying? How can we help you hear more clearly? What do you think your greatest obstacle is?

Rob said the Corinthian church in 1 Cor. was dealing with division. How divided do you think DBIC is?

Rob offered some signs of Christian maturity. At least think about, but if it is safe and you are brave share how you would rate our development on each.

- Developing attachments to God and other Jesus followers
- Becoming increasingly like Christ (spiritual formation)
- Increased Vulnerability/transparency and greater ability to properly deal with that in others
- Increase in love for God (passion)
- Openness to God/Hearing God
- Ongoing development of Fruit of the Spirit
- Humility/Teachability
- Has Experienced and Expresses Forgiveness
- Has Experienced and works for Freedom
- Increasing Open heart (hospitality)
- Replicating ourselves
- Intense Commitment to Christlike Conflict Resolution
- Submitting to Accountability
- Deepening our trust in God
- Doing the work of the kingdom

Rob said the three main functions in kingdom work are planting seeds, watering, and harvesting. How much skill does each require? How skilled do you feel at each?

How can you water some seed today? Tomorrow? What will you commit out loud to doing this week that we can ask each other about next time we are together?

Share and prayer.
