

## Questions for Conversations

060825

If you had to explain “fellowship” to an alien who just landed from Mars, how would you do it? What example (story) would you give from your own life to help make sense of this term?

How is (or should) Christian fellowship be different from the fellowship those outside of Christ experience?

Do you think fellowship is as important as Rob seemed to be suggesting it is? Why or why not?

What are the biggest obstacles for us at DBIC to experiencing real fellowship?

Are our issues unique or is it the same for average Americans?

What is your personal biggest obstacle to real Christian fellowship?

What specific way can you improve walking in the light together this week?

Who are the invisible people in your life, our church, our world?

How will you go about making the invisible, visible (2 directions)?

What do you think of BELLS by Michael Frost? Are there any of those that would be good to try together?

Share and prayer (which is actually a form of fellowship)
