What are some things that you have been taught or thought that the mark of the beast was referring to?

What questions did you have about today's message?

Rob mentioned power as an example, but what are some ways that the demon powers behind the Beast, are trying to Mark you?

Where are you striving instead of resting, worrying instead of worshipping?

What do you think of Rob's statement that

While we do not give ourselves the mark of the beast or the seal of the Holy Spirit,
we are AT ALL TIMES making one image more visible and the other less?

Of the areas Rob mentioned about making the seal more obvious, which is the area you will work on this week?

gratitude

serious pursuit of holiness

worship, prayer, and fasting

hospitality

How will you work on it?
